

PIXELFAME

Terms and Conditions

Effective date: 27 August 2026 | Last updated: 27 August 2026 | Governing jurisdiction: Republic of India

These Terms and Conditions ("Terms") govern access to and use of the PIXELFAME website, application and related services (collectively, the "Platform"), operated by [Company Legal Name], a company/entity incorporated under the laws of India with its registered office at 69, Devdarshan, Behind Dena Bank, Bopall, Ahmedabad, Gujarat, India - 380058 ("PIXELFAME", "we", "us", or "our"). By accessing the Platform, selecting a square on the grid, uploading an image, or making a payment, you ("User", "you") agree to be bound by these Terms, our Privacy Policy, and any guidelines referenced herein. If you do not agree, please do not use the Platform.

1. The Service

PIXELFAME allows a User to select one square ("Pixel") on a shared digital grid, upload a single image to that Pixel, and make a one-time payment to reserve that Pixel for display on the Platform. Once purchased and successfully uploaded, an image on a Pixel cannot be edited, replaced, resized, or moved by the User, except where PIXELFAME removes it under Section 5 (Prohibited Content) or Section 6 (Content Moderation) below.

2. Eligibility and Account Information

- You must be at least 18 years of age, or of legal age to enter a binding contract under the Indian Contract Act, 1872, to make a payment on the Platform. Users below this age may use the Platform only under the supervision of, and with the consent of, a parent or legal guardian, who shall be responsible for the transaction.
- You agree to provide a valid, accurate, and currently active email address at the time of verification and checkout. PIXELFAME uses this email address solely to (i) verify that the person completing payment controls the email address provided, and (ii) send you a confirmation of your purchase along with the exact coordinates of your Pixel on the grid, so that you may locate and reference your image at any time.
- You are responsible for maintaining the confidentiality of any verification code (OTP) sent to your email and for all activity that occurs using that verification code.

3. Pricing, Payment, and Taxes

- The price for reserving one Pixel is displayed on the Platform at the time of purchase (currently ₹1 per Pixel) and is inclusive/exclusive of applicable Goods and Services Tax (GST) as indicated at checkout.
- All payments are processed through Razorpay Software Private Limited or its successor payment gateway ("Payment Processor"). PIXELFAME does not store your card, UPI, or net-banking credentials; such data is handled directly by the Payment Processor in accordance with applicable Reserve Bank of India (RBI) guidelines and Payment Card Industry Data Security Standard (PCI-DSS) requirements.

- A Pixel is considered reserved only upon successful confirmation of payment by the Payment Processor. In the event of a payment failure after an amount has been debited, the amount shall be auto-reversed/refunded by the Payment Processor in accordance with its standard timelines; this is distinct from, and not covered by, the No Refund Policy in Section 4.

4. No Refund Policy

All payments are final.

Once a Pixel has been successfully purchased and an image has been uploaded, the amount paid is non-refundable and non-exchangeable under any circumstances, including but not limited to a change of mind, dissatisfaction with how the image displays, accidental purchase of an unintended Pixel, or subsequent removal of the image by PIXELFAME for violating Section 5 below. By completing payment, you acknowledge and accept this policy.

Nothing in this Section 4 limits any non-waivable refund or replacement right that may be available to you under the Consumer Protection Act, 2019, and the Consumer Protection (E-Commerce) Rules, 2020, where applicable.

5. Prohibited Content

When you upload an image to a Pixel, you represent and warrant that you own the image or have all necessary rights and permissions to upload, display, and grant PIXELFAME the license described in Section 7 below. You further agree that you will not upload, and PIXELFAME reserves the right to remove without notice, any image or associated content that is unlawful, or otherwise prohibited to publish or transmit under the laws of India, including without limitation content that:

- is obscene, pornographic, sexually explicit, or falls within the scope of Sections 67, 67A, or 67B of the Information Technology Act, 2000, or Sections 292-294 of the Indian Penal Code, 1860 / corresponding provisions of the Bharatiya Nyaya Sanhita, 2023;
- depicts, sexualises, or otherwise endangers a minor (any person under 18 years of age), including under the Protection of Children from Sexual Offences (POCSO) Act, 2012;
- is defamatory, libellous, harassing, threatening, or an invasion of another person's privacy, including any image of an identifiable individual uploaded without their consent;
- promotes hatred, violence, or discrimination on the basis of religion, race, caste, gender, ethnicity, disability, or sexual orientation, or is likely to incite enmity between groups (Section 153A / 505 IPC and corresponding BNS provisions);
- infringes any copyright, trademark, patent, or other intellectual property or proprietary right of any third party;
- depicts graphic violence, self-harm, or content that promotes or glorifies self-harm, suicide, or extremist activity;
- impersonates any person or entity, or misrepresents your affiliation with any person or entity;
- contains a virus, malware, QR code, hyperlink, or other technical element intended to disrupt the Platform or direct users to unsolicited or unlawful third-party content;
- is otherwise unlawful, or that you would not be permitted to publish, forward, or share under the Information Technology Act, 2000, the Information Technology (Intermediary

- Guidelines and Digital Media Ethics Code) Rules, 2021, or any other applicable Indian law,
- (each of the above, a “Violation”, and any such image, “Violating Content”).

6. Content Moderation and Removal

Removal is permanent. No refund is issued.

If PIXELFAME determines, in its reasonable discretion or pursuant to a User complaint, a court order, or a directive from an appropriate government or regulatory authority, that an image constitutes Violating Content, PIXELFAME reserves the right to (i) remove and permanently delete the image and any associated content from its backend systems, (ii) leave the corresponding Pixel blank or mark it as removed, and (iii) suspend or terminate the User’s ability to use the Platform — in each case, without any refund of the amount paid for that Pixel, and without any obligation to provide advance notice where PIXELFAME believes immediate removal is necessary.

PIXELFAME may, but is under no obligation to, proactively screen uploaded images prior to display. The final decision on whether content constitutes a Violation rests solely with PIXELFAME.

7. License to Display Your Image

You retain all ownership rights in the image you upload. By uploading an image to a Pixel, you grant PIXELFAME a non-exclusive, worldwide, royalty-free, sub-licensable licence to host, store, reproduce, publicly display, and distribute that image (including scaled or cropped versions necessary to fit the Pixel and its immediate surrounding grid context) as part of the Platform, for as long as the Pixel remains active and for reasonable archival, promotional, or backup purposes thereafter.

8. Grievance Redressal

In accordance with the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, the details of the Grievance Officer are provided below. Any complaints regarding content on the Platform, including requests for removal of Violating Content, may be directed to:

9. Limitation of Liability

To the maximum extent permitted under Indian law, PIXELFAME shall not be liable for any indirect, incidental, special, or consequential damages arising from your use of the Platform, including any loss arising from removal of Violating Content under Sections 5 and 6. PIXELFAME’s aggregate liability arising out of or relating to these Terms shall not exceed the amount actually paid by you for the Pixel(s) giving rise to the claim.

10. Indemnity

You agree to indemnify and hold harmless PIXELFAME, its officers, employees, and affiliates from any claim, demand, loss, or liability (including reasonable legal fees) arising out of your uploaded content, your breach of these Terms, or your violation of any applicable law or the rights of a third party.

11. Governing Law and Jurisdiction

These Terms shall be governed by and construed in accordance with the laws of India. Subject to Section 12 (Dispute Resolution), the courts at [City], India shall have exclusive jurisdiction over any dispute arising out of or in connection with these Terms.

If unresolved within 30 days, the dispute shall be referred to and finally resolved by arbitration in [City], India, under the Arbitration and Conciliation Act, 1996, before a sole arbitrator appointed by mutual agreement, in the English language. This clause does not restrict a consumer's right to approach a consumer forum under the Consumer Protection Act, 2019.

13. Changes to These Terms

PIXELFAME may revise these Terms at any time by posting an updated version on the Platform. Continued use of the Platform after such changes constitutes acceptance of the revised Terms.
